Minced Beef

Verstegen Burger Mix Complete

Verstegen Sliceable Garlic Sauce

Verstegen World Grill French Garden

Verstegen Decoration Blend France

Lattice Puff Pastry Sheets

Method

Make your burger meat to the recipe using the minced beef and the **Verstegen Burger Mix Complete**.

Portion the burger meat into desired weight, these are 160g each.

Cut the **Verstegen Sliceable Garlic Sauce** into 25/30-g portions and form the beef burger mix around the sliceable sauce ensuring to keep the bomb shape that we desire.

Wrap the stuffed beef bombs with the lattice pastry and brush with the **Verstegen World Grill French Garden**.

Finally Garnish with the **Verstegen Decoration Blend France**.

Verstegen adds that extra something.
