Method

Combi the baby potatoes in the Rational at 60% steam and 180°C for approximately 15–20 minutes, making sure to rotate every 5 minutes.

Once cooked, chill immediately, then place in a mixing bowl and coat in the **Verstegen World Grill French Garden**.

Serve into smooth wall foils and garnish with fresh garlic, rosemary, thyme and **Decoration France**.

You could also use other **World Grills** for these, such as **Verstegen World Grill Basic Sea Salt & Lampong Pepper** or **Verstegen World Grill Royal Mint & Rosemary**.

Verstegen adds that extra something.
